Inagaki Shihan began aikido under the Founder Morihei Ueshiba. After the founder passed away in 1969, he moved into the Iwama Dojo to become the first uchideshi of Morihiro Saito Shihan. Inagaki Shihan accompanied Saito Shihan on his first trip to the USA as his otomo in 1974. He currently teaches at the Founder's Dojo in Iwama—the birthplace of aikido, traveling nationally and internationally to teach Traditional Aikido.
